

## AXCESS CANADA NEWS RELEASE

**Date: Jan 07, 2010, Sydney Australia:** AMAL Asset Management ([www.amal.com.au](http://www.amal.com.au)), a key Business Process Outsourcing client of Access has recently conducted an audit of its internal policy and procedures utilizing the services of Ernst & Young. Part of this audit was also a complete review of their Access Relationship Management (ARMnet) solution its security and control methodology within the system in servicing loan products and also managing documents associated with these loans from within ARMnet Financial Software.

After conducting the review Standard and Poor's Ratings Services (S&P) has affirmed its **ABOVE AVERAGE** servicer rating of AMAL Asset Management Limited (AMAL).

In addition, the Management and Organization sub-rating has been upgraded from **ABOVE AVERAGE** to **STRONG**, the highest possible rating.

S&P reported that the affirmation of the overall rating and upgrade of the sub-rating are based on the company's following characteristics:

- A highly experienced management team leading a qualified servicing workforce.
- Well designed and thorough operating and servicing policies and practices surrounding process and controls.
- An effective risk management and compliance framework.
- A strengthened corporate governance structure.

AMAL currently services over \$A8 billion of commercial, residential, consumer and lease receivables on behalf of over 30 financial institutions in Australia and New Zealand.
